

The Friends of Flight 93 utilize GooseChase! This scavenger hunt app allows games to be played using iOS or Android devices. These scavenger hunts are being developed to assist students in focusing and searching for clues as they visit the memorial. These scavenger hunts are also fun for adults and families! Anyone looking for a more, in-depth visit should download the app and start hunting for clues!

Current Friends of Flight 93 GooseChase Game Names:

- Flight 93 National Memorial – Visitor Center
- (others in development – check back soon!)

Joining Instructions:

GooseChase Games can be played using our iOS or Android Apps. If your students are using their own devices, walk them through the steps of downloading the app. If you are using school devices, we suggest you have the app downloaded and ready for students to log in before your game begins!

Once the app is downloaded have your students:

- Join as a guest, without a GooseChase Account (<https://goosechase.link/JAG>)
- Search for the game name (SEE LIST ABOVE)
- Join or Create their team or player profile
